

SwapNet Appreviations

Commonly (although not exclusively) used abbreviations in ARO SwapNet text
If you think of some more, please send them in! de Jeff N5MNNW

Equipment Condition statements:

mint as from factory-NO flaws
new as from factory-NO flaws
exc excellent, minor wear
good works, some scratches/flaws

works may be ugly but functional
ndswk needs work (odds better than AS-IS)
AS-IS take your chances
broke I tried to "fix" it
parts I tried to "fix" it again
FREE take it before I change my mind
vint vintage-antique-older than operator
rare I want more than you wish to pay
